**Notice:** Many of you know now that St. Theresa's glebe house is being rented out to three students from India. The students will live in the upstairs level of the house while they pursue their studies at CBU. Each student is paying \$500.00/month which includes heat, electricity and water. For the Parish, it will earn \$1500.00/month in rental revenue for the next two years. I want to thank Kevin Abraham, a member of our Parish, for arranging for me to meet with the students. I want to thank the Diocese and the Bishop for allowing the Parish to assist these students in this way. I also thank the St. Theresa's CWL for giving a gift card to each of them. I am pleased that St. Theresa's Church can do something to help the international students to obtain safe and affordable housing, yet much more needs to be done. If you are able to help students in any way, please let us know. Pray for the students who are in Cape Breton and for those coming here. Thank you, Fr. Evo

**R.C.I.A.:** Remember the RCIA teams and candidate in your prayers.

**Thank you for putting People and the Planet First**

The Lord hears the Cry of the poor (Psalm 34:17).

We believe in a God who is revealed to us by the very act of hearing the cry of the poor.

What is this cry of the poor? It is not only a voice of suffering, a voice of supplication; it is a voice for justice. The cry of the poor calls out for justice and God responds. Time and time again, God; enters history on the side of the poor and the powerless. It is through this action that God's power and God's love is revealed. Furthermore, God invites us to participate in this revelation of holy power and love. By actively participating in God's defense of the poor and oppressed, our own relationship to God is deepened. Development & Peace also want to add their voice to the cries of the poor; however, they need you, your compassion and your support. There are a variety of ways that you might help by becoming a member of Development & Peace.
